

Finding your favourite fish

Clownfish

- Keeping fish is fun and informative
- Never buy fish on a whim
- Tropical freshwater fish are best for beginners

- Marine fish like regal tangs and clownfish need experience to keep successfully

Regal Tang

GUPPIES small but fabulously flamboyant

Tetras fish with a go-faster stripe

Siamese fighting fish
the piscine version of a peacock!
(but keep males strictly single)

Fantastic tropical freshwater fish for your first tank

White cloud mountain minnow
hardy & easy to keep

Mollies deep black, bright yellow & even dalmatian spotted

Do you want to start your own fish tank?

- Do plenty of research – never buy fish on a whim
- Talk to a specialist retailer – there's lots of fun stuff to learn
- Be prepared to wait – setting up a tank takes time
- Go big – bigger tanks help with better water quality
