

## Job Vacancy - Technical Sales Support

Oase are one of the market leaders in the aquatics industry and pride themselves on their exciting, innovative and quality products. Oase have products to suit all aspects of fishkeeping.

We are pleased to be recruiting for a new position as part of our industry renowned Technical Department. Candidates should have a keen interest in ponds and aquatics with full training provided for everything else.

With no two days the same, this role requires a candidate that has a strong willingness to learn, lots of enthusiasm and excellent customer service skills. You will be dealing with trade and consumer enquiries so both verbal and written communication skills must be high. A basic understanding of ponds and aquariums is advantageous.

The role will be based at our offices near Andover in Hampshire and the successful candidate will need to be able to travel there each day.

Main duties include (but are not limited to)

- Dealing with product enquiries from both trade customers and end consumers
- Fault finding incoming returns and processing necessary paper work
- When required, attending site visits and/or exhibitions

At Oase we have a very friendly professional team, widely regarded as the best in the industry. For your chance to be part of this and for opportunities to grow with us, please contact the Office Manager – Amanda Crook with your CV and cover letter. [a.crook@oase-livingwater.com](mailto:a.crook@oase-livingwater.com)

Please feel free to contact us if you have any questions on the role, the closing date for application is the 30<sup>th</sup> April.
