Love your fish
But keep it clean

There’s lots of advice about how to keep your fish healthy.
But what about you?
Follow these four simple rules to keep yourself healthy
while enjoying your hobby.

Always
wash your hands
after putting them
in your tank

Never
siphon water
with your mouth
Get a gravel cleaner!

Always
switch off electrics
before working in your tank

Always
dry your hands
before turning
electrics back on
